Exhibiting at the Conference

It's not just about exhibiting - it's about creating a lasting impression

The CAAR Conference is the perfect opportunity to showcase your new products and programs specifically to agri-retailers. Breakfasts and lunches are offered on the tradeshow floor, helping to encourage attendees to stop by your booth and also interact with the attendees during the dedicated trade show times.

Planning for your tradeshow success doesn't start a month or two in advance. In fact, it can take anywhere from six months to a year of planning to do it right. Tradeshow marketing is a very strategic process. Maximize your pre-and post-show recognition beyond the show audience, while increasing the effectiveness of your booth during the show by becoming a sponsor. We offer a variety of ways to sponsor the CAAR Conference to fit your budget. Check out the options on the next few pages.

Donate to the CAAR Pro-Ag Investments Auction

The agriculture industry is on the cusp of tremendous advancement as we are challenged to feed a growing world. To succeed in providing for this unprecedented need, it will take investment in the tools that will get us there. Pooling our resources will ensure we all reap the rewards with less effort.

CAAR Pro-Ag Investments is a diverse range of initiatives that center on enhancing and strengthening the Canadian agriculture industry. Donations towards CAAR Pro-Ag Investments go directly to important causes such as: agricultural scholarships, industry initiatives, CAAR's advocacy efforts and program development, among others.

HOW TO DONATE & SUPPORT:

Currently there are three ways that you can support the initiatives funded by CAAR Pro-Ag Investments:

Donate to the Auction:

The CAAR Pro-Ag Investments Auction is hosted annually at the CAAR Conference. Donate a prize (anything from crop inputs to flat screen tvs to fishing trips) and join us at the event to bid on prizes!

Bid and Buy at the Auction:

No auction is complete without its' buyers. Attend the CAAR Pro-Ag Investments Auction and know that every dollar you spend goes directly to the association.

Direct Donations:

We are always grateful for your donations, and we'll do our best to ensure everyone knows about your generous support!

Donations to the CAAR Pro-Ag Investments Auction will contribute to your sponsorship recognition at the 2018 CAAR Conference at a rate of 50% of the SRP. If you wish to reach a higher sponsorship level, you can combine cash sponsorship with your auction donation.
