

Who is this Year's Agronomist of the Year?

AWARD DESCRIPTION

Agronomists are your touch-point with the customer; that seemingly endless source of crop production knowledge that helps every grower ensure the best crop possible makes it into the bin. Now it's time to recognize those hardworking agronomists who commit so much time to helping farmers and ensuring they keep on top of an ever-changing world of agronomic knowledge.

The successful agronomist, who must be employed by or work on behalf of a CAAR member location, will be selected by a committee of peers based on accomplishments in the following areas:

APPLICATION CRITERIA

1. **Agronomic Knowledge** – demonstrates significant knowledge of agronomic practices applicable to their local region. Please include a letter of reference from employer (not required if self-employed).
2. **Customer Service and Satisfaction** – demonstrates excellent customer service, satisfaction, and significant customer retention. Please include at least one letter of reference from a customer.
3. **Commitment to Continuing Education** – demonstrates a commitment to continually develop skills through seminars, courses, self-study and/or mentorship.
4. **Community and Industry Leadership** – demonstrates exceptional professionalism and leadership in their local community and the industry at large through volunteering, sponsorship, or donations.

Agronomists are encouraged to submit their application today! Colleagues, customers, peers or employers can also apply on behalf of their local agronomist.

Please fill out the attached application form and email to lady@caar.org by **Friday, December 7, 2018**. If you have any questions, please contact Lady Gabilo with CAAR at 204-989-9304.

The winner will be announced at the CAAR's Choice Awards Banquet on February 13, 2019 during the 2019 CAAR Conference in Winnipeg, MB.
